CONFIDENTIAL

B. Narayanaswami Iyengar, Esq., B.A., B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

SIR,

P&S. 22-29-1

With reference to your letter No: G. 16/P.&.S. 89-28-2, dated 1st July 1929, directing that the vacancy of the Sub-Assistant Superintendent of the Government Press be advertised in the Mysore Gazette and in certain other newspapers, both in Mysore and Madras, I have the honour to state that in response to the advertisement so inserted, as per copy enclosed, fifty-seven applications have been received as per list attached, of which twelve are from Mysoreans, whose names are entered first in the list, among whom are included the Head Clerk of the Government Press, the Supervisor of the Stationery Depôt, the Supervisor of the Stamp Manufactory and the Press Probationer, who have all applied for the post.

I have gone through the several applications carefully and have selected the following nine candidates as fulfilling generally the conditions laid down in the advertisement:-

Messrs:-

1. D. Daniel, Bangalore, 1st in the list
2. T. N. Channappa, Bangalore, 11th "
3. C. P. Matthew, Trichur, 13th "
4. T. Fenn, Trivandrum, 15th "
5. H. C. Anderson, Madras, 17th "
6. K. Janardan Nair, Trivandrum, 19th "
7. U. Ganesh Shenai, Mangalore, 20th "
8. M. K. Srinivasan, Tanjore, 27th "
9. V. Krishna Iyer, Trivandrum, 35th "

Of these nine candidates, the first two are Mysoreans and

residents of Bangalore and the rest outsiders, applying one from Trichur, three from Trivandrum, one from Madras, one from Mangalore and one from Tanjore. Each of these candidates has certain points in his favour that would make him eligible for the appointment. A summary of the qualifications of each of them is given below:-

Mr. D. Daniel is a Christian and is the Overseer of the Bangalore Press, drwing R$ 100 plus 15/- per mensem. He has no University degrees but has served the Bangalore Press for about twelve years in various capacities and has risen to the highest appointment next to that of the Superintendent. He is spoken of highly both by the Superintendent and other gentlemen as regards his capacity, character and efficiency. Mr. T.Channapp is a Lingayet and owns two Presses in Bangalore. He seems to be an enthusiast and has worked his way in the Printing Profession. Mr. C. P. Matthew of Trichur is a Syrian Christian and is the Superintendent of the Mangalodiam Press. He is a young man of 25 years and besides undergoing practical training in almost all branches of Printing, has passed the Technical Examinations with credit. Mr. T. Fenn is an Indian Christian and is the Chief Foreman of the Government Press, Trivandrum, and has acted as Assistant Superintendent and Head Examiner and possesses good certificates. Mr. H. C. Anderson is an European, 62 years old, and is at present Sub-Editor of the " Madras Mail " He says he has been Superintendent, Printer and Publisher of the " Madras Mail " for over 20 years. He seems to be an influential gentleman and possess good certificates from the past editors and proprietors of the "Madras Mail" Mr. Janardan Nair is employed in the Government Press at Trivandrum as Instructor and Operator of Thompson Type-Caster and of the Linotype Composing machine and has undergone training in various branches of the Printing line. Mr. U. Ganesh Shenai is a Mangalorian and is now

Assistant Superintendent, Saraswati Printing Works at Mangalore, and has had training in the well-known Basel Mission Press and possesses good certificates. Mr. M. K. Srinivasan of Tanjore is a Brahmin and a Graduate and was Manager of the Sri Vani Vilasa Press, Srirangam, which is a good Press doing neat work, especially in Printing Oriental Publications. Mr. V. Krishna Iyer is a B.A., and B.L., and has passed the Madras Technical Examinations in Printing and Proof-reading. He is employed at the Government Press at Trivandrum in the correspondence department. His testimonials show that he has worked as Head Examiner and Supervisor of Confidential Printing work and that he has a good technical knowledge.

Among so many eligible men, the choice of the most suitable naturally presents some difficulty, because each candidate has got some special qualifications in his favour. But taking into consideration the existing conditions of labour and of work in the Government Press here, I am inclined to prefer a local man to an outsider as he will be better acquainted with local conditions and better able to move in harmony with his surroundings.

My choice therefore lies among Messrs. Daniel, Channappa and the employees of the Government Press who have applied for the post. The last set of officials are all in fairly well paid posts and have settled down to their respective legitimate duties from which it is not possible to disturb them : nor are their technical qualifications and experience of the same level as those of the other outside applicants whose merits I have -- endeavoured to briefly enumerate above. Eliminating therefore these candidates, I am confronted with the selection either of Mr. Daniel or of Mr. Channappa. Of these two candidates, -- Mr. Daniel is easily the better as a perusal of their respective testimonials will show. Mr. Daniel has been working in the Bangalore Press for the past twelve years, almost from the very

beginning of its establishment and has risen from a small clerical post to the responsible position of the Overseer of the Press on Rs. 100/-. plus 15/- per month, which is next only to that of the Superintendent. He has thus been associated with the evolution of one of the most up-to-date Presses in the State, which has earned a name for itself for enterprise, efficiency and good work. The Superintendent of the Bangalore Press has referred feelingly to Mr. Daniel's part in the progress of the Press and to the ability, experience, tact, reliability and good character which have rendered his services indispensable to him in the Press.

The Bangalore Press is doing work in all departments of Printing and Stationery and has installed machinery suited to all grades of printing including composing machines, which no other Private Press in Mysore has been able to do. Mr. Daniel as one of the first employees of the Press at its start has had experience in the erection of machinery of every description - Composing, Printing, Binding, Stereo-typing, Type-Casting, etc., - in the execution of the works neatly and punctually for which the Press is noted, in the management of labour, in dealing with customers, in the working of the paper and stationery business; in fact, in every line of work in which the Government Press would have its superior officers well trained; and I therefore think he will prove useful to us. He has no University degrees to his credit, but his twelve years' experience in a very good printing office, coupled with his moral character of which his testimonials speak very highly indeed, ought to compensate for this drawback.

I beg therefore to recommend the appointment of Mr. D. Daniel as Sub-Assistant Superintendent of the Government Press on probation for one year on a fixed pay of Rs. 150/- per mensem with permission to occupy the quarters adjoining the

Press, vacated by Mr. Krishnaswamy Chetty on his departure to England. I solicit the favour of early orders.

The applications received from the candidates are also submitted for reference.

I have the honour to be,

S i r.

Your most obedient servant,

Superintendent,
Government Printing.

Manager,
Vokkaligara Sangha Press
Bangalore

Fort, Bangalore City,
Dated 19th August 1929.

This is to certify, that I have known Mr.B. Hanumantaiya Gowda for upwards of twenty years. He worked as the Manager of the Vokkaligara Sangha Press for two years, between 1908 and 1910, after receiving training at the Mysore Government Press in the Printing Department. He then resigned his office as he had to go back to his native place to attend to some domestic affairs. He joined the Sangha service again in 1922, and since then held the dual offices of Editor of the Vokkaligara Patrike and the Manager of the Vokkaligara Sangha Press. In 1927, he was relieved of the Editor-ship of the Vokkaligara Patrike as his undivided attention was found necessary in the Sangha Press as its Manager. He has given great satisfaction in the discharge of his duties as the Manager of the Sangha Press which has earned a reputation for itself, chiefly due to his untiring and zealous attention to his work. He comes from a respectable family and is of active habits. His character and conduct are exemplary.

Our Manager, Mr.B.Hanumantaiya Gaude wanted a certificate from me as to his capacity for work, character, etc., With a mixed feeling of willingness and unwillingness, I issue this certificate. I am only too glad to give him a certificate, because I know, I am speaking of a person who is deserving of all encouragement. At the same time, I am unwilling to grant him a certificate which cannot but be a favourable one to enable him to gain his object, but which will deprive the Sangha of his good services.

The above observations are in themselves quite enough to constitute a certificate. But to be more explicit, I unhesitatingly say that he is quite hone in his dealings and hardworking to the extreme limi of falling ill by overwork.

He served the Sangha disinterestedly and willin all these years. The Sangha cannot afford to lose his services. But an honest man must be allowed to prosper according to his own choice.

I have great pleasure in certifying to the excellent character and conduct of Mr.B.Hanumantaiya Goude whom I know for over 20 years. He has put in a service of nearly 10 years in Sangha Press as Manager in which place he has shown considerable business capacity. He is thoroughly acquainted with the management of the Press and Press Labour. He was trained under Mr.C.H.Yates in the Government Press for a period of six months when his services were first utiliged by the Vokkaligara Sangha. He is a conscientious worker, and his integrity and unremitting industry have made him an efficient hand. I hear, he has applied for the post of the Sub Assistant Superintendent in the Government Press and I consider him to be fully qualified for the post, as he possesses not only business capacity but technical skill also. I have great pleasure in testifying to his fitness for the post.
